REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record, alone or in combination, do not teach an input data latch producing transformed and untransformed versions of a multi-bit digital signal, a controller for determining if a sum of state transitions exceeds a predetermined value, the controller producing a transformation vector signal in response thereto, and a selection circuit coupled to the input data latch for selecting one of the transformed and the untransformed versions of the multi-bit digital signal in response to the transformation vector signal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rehana Perveen whose telephone number is 571-272-3676. The examiner can normally be reached on 8:00am - 4:30pm.
